Steve Nolting and Don Boettcher are planning on having a 1 hour training session for the "**Screen service**" used for each Sunday service. This would be for those who are currently helping with the "Screen service" and anyone who would like to learn as a substitute for some Sundays. This is not difficult training and it will have a written routine that all who attend will be able to take home for periodic review. The training will be some time in February. More information on date and time will be available the end of January. If you think you would be interested put a note in either Steve's or Don's mail box in the narthex.

Please check your church mail box for a slip of paper to attach to your giving statement. This is needed to satisfy the IRS requirements. They want to know that your donation is a gift and that you received no benefit from it.
